

ADVANCED BENEFICIARY NOTICE (ABN)

Medical and Vision Insurance Plans do not pay for ALL services, even tests or procedures directly recommended by Dr. Allen Wong based on professional expertise, or procedures with pre-authorizations. In some instances, Insurance Plans will deny payment or coverage after billing has taken place, and expenses will therefore be transferred to the patient.

“I understand that not all services are covered by my Medical or Vision Insurance Plans, even with pre-authorization. All Things Eyes will promptly send me a notice of my non-covered charges once denial has been confirmed, and I will be responsible for payment of any items not covered by my Medical or Vision Insurance Plans.”
